Essen, wo es hingehört

Rules for customers:

Anyone who wishes to register at the Tafel must submit proof of income - Hartz IV, Renten- oder Sozialbescheid - and a proof of identification.

Refugees and asylum seekers need a Ausweis mit Aufenthaltsgenehmigung. For children living in Germany, a Ausweis mit Aufenthaltsgenehmigung must also be presented.

Each customer gets a number in different colors and a schedule. The colors rotate in quarter-hour intervals, so that everyone is sometimes in the first and sometimes in the last group.

Please come at the time indicated in your schedule to avoid prolonged waiting.

The numbers are to be shown at every distribution. If you forgot to take your number, you must wait until the end of the distribution. If you lost your number, you must register again the following week. The numbers are not transferable to other persons.

At the entrance each customer will be required to pay two euro.

Each customer is allowed to pick up goods only once a week on a particular day.

Please bring your own bags.

Registration times are from 11:00 am to 11:30 noon on Tuesdays or Thursdays.
